		Optional Class of Service			
	(Effective Date 1/1/2011)		**(Effective Date 7/1/2001)**		
Employee Contributions	6.25% of gross salary. Tax deferred by reducing gross compensation for federal income tax only.	9.3% of gross salary. Tax deferred by reducing gross compensation for federal income tax only. ***To elect this option A-3 members will be sent an A-4 ballot directly from SERS and will have 45 days to elect A-4 Class of Service. Contact SERS for counseling on election of Class A-4.***	6.25% of gross salary for employees hired on or after 7/22/83. Before 7/22/83, 5.25% of gross salary. Contributions after 1/1/83 are tax deferred by reducing gross compensation for federal income tax only.	7.50% of gross salary for new hires on or after 7/1/01 with no prior school service, and employees hired on or after 7/22/83 and electing Class T-D. Current members hired before 7/22/83 and electing class T-D, 6.50% of gross salary. **New contribution rate effective 1/1/02.**	5% of gross salary. Tax deferred by reducing gross compensation for federal income tax only. This contribution may be allocated with as many as all four companies in several choices of investment options.
Employer Contributions	Determined by SERS actuary each fiscal year. (Normal state rate plus accrued liability).		Determined by PSERS actuary each fiscal year. (Normal state rate plus accrued liability.)		Contribution set by legislature within the State Employees' Retirement Code. (Currently 9.29%)
Termination - Refund to Employee	Termination with less than 10 years of service and under age 65. Employee contributions and interest (4%) are returned.		Termination with less than 5 years of service and under age 62. Employee contributions and interest (4%) are returned.		Total value of account (employee and employer contributions plus interest and earnings) is available, subject to restrictions for specific funds.
Normal Retirement	Age 65 with 3 years of service or "Rule of 92" member's age (last birthday) plus completed years of credited service must equal 92. (Whole years no rounding)		Age 62 with 1 year of service, age 60 with 30 years of service, or any age with 35 years of service.		Any age; however, normal retirement is age 60. Annuity is based upon employee/employer accumulations (contributions plus interest and earnings).
Early Retirement	Under Age 65 with 10 or more years of service. Benefit is actuarially reduced based upon age or service.		Under age 62 with 5 or more years of service. Benefit is actuarially reduced based upon age and service. Age 55 with 25 years of service with a 3% reduction applied for each year under normal retirement. Reduction not greater than 15% of annual maximum. **Note:** A member is not required to elect T-D service to be a vested member after 5 years of service.		Any age. Annuity is based on employee/employer accumulations (contributions plus interest and earnings).
Type of Annuity	Fixed Dollar		Fixed Dollar	Fixed Dollar	Fixed dollar and variable annuities are available.
Retirement Benefit	"Defined Benefit" based upon a formula: 2% x Years of Credited State Service x FAS x 1.00 (Multiplier) PLUS 2% x Years of Credited Non-State Service x FAS x 1 (Multiplier) (FAS = final average salary)	"Defined Benefit" based upon a formula: 2% x Years of Credited State Service x FAS x 1.25 (Multiplier) PLUS 2% x Years of Credited Non-State Service x FAS x 1 (Multiplier) (FAS = final average salary)	"Defined Benefit" based upon a formula: 2% x Years of Service x FAS (FAS = final average salary)	"Defined Benefit" based upon a formula: 2.5% x Years of Service x FAS (credited school and intervening military service only) PLUS 2% x Years of Service x FAS (credited non-school service) (FAS = final average salary)	"Defined Contribution" based upon the amount of employee and employer contributions plus interest and investment earnings at the time of retirement.

	*State Employees' Retirement System (SERS)**		*Public School Employees' Retirement System (PSERS)**		*Alternative Retirement Plan (VALIC, Fidelity, ING, TIAA-CREF)*
	Class A-3	**Class A-4**	**Class T-C**	**Class T-D**	
		Optional Class of Service (Effective Date 1/1/2011)		**(Effective Date 7/1/2001)**	
Death Benefit	Under age 65 with less than 10 years of service = employee contributions and interest (4%). 10 or more years of service = present value of pension benefit including employer share contributed.		Under age 62 with less than 5 years of service = employee contributions and interest (4%). 5 or more years of service = benefit payable based on either Class T-C or Class T-D. If Class T-D is elected prior to death, then benefit will be calculated utilizing the new 2.5% multiplier for school and intervening military service and class T-C for non-school service benefit formula. If Class T-D is not elected, total service will be calculated using the 2.0% multiplier.		Automatic benefit = employee and employer accumulations (contributions plus interest and investment earnings).
Disability Benefit	Any age with 10 or more years of service		Any age with 5 or more years of service.		NOT AVAILABLE
Portability	Other state agencies, State System of Higher Education, Pennsylvania State University, and Community Colleges in PA. Intermediate Units if employee was a member of SERS prior to appointment.		State System of Higher Education, Community Colleges, Intermediate Units, and public schools. Pennsylvania State University offers PSERS if employee was a member of PSERS prior to appointment.		Plan allows for roll-over of eligible distributions to other qualifying plans or IRA; including the State System of Higher Education, Pennsylvania State University, and other educational institutions across the country.
Multiple Service Credit	Provision by which employees may transfer membership from PSERS to SERS with continuity of benefit.		Provision by which employee may combine membership with SERS and PSERS with continuity of benefit. If member elects multiple service before 7/1/01, must elect T-D in PSERS and AA in SERS. If member elects multiple service on or after 7/1/01, must elect T-D in PSERS - Class AA is automatic in SERS.		NOT AVAILABLE
Vesting	Full vesting with 10 or more years of service with an option to apply for benefit anytime between vesting date and normal retirement (age 65). Account continues to earn interest (4%) and continues to accrue death benefits under the death benefit provision. If application is filed prior to age 65, actuarial reduction will be applied in accordance with age.		5 or more years of service with an option to apply for benefit anytime between vesting date and normal retirement (age 62). Account continues to earn interest (4%) and continues to accrue death benefits under death benefits provision. If application is filed prior to age 62, early reduction factor will be applied.		Full and immediate vesting.
Service Purchase*	Service rendered by agencies that offer SERS membership.		Service rendered by reporting units that offer PSERS membership.		Service purchase for the purpose of enhancing the retirement benefit is not applicable to this defined contribution plan.
a. Prior State Service	All prior service must be purchased at one time and prior to or at same time as purchase of non-state service.		NOT APPLICABLE		NOT APPLICABLE
