Late Night Programming FAQs

Q: What is Late Night Programming (LNP)?

A: In the past, student programs were only allowed to occur until midnight. During the 2013-2014, school year, recognized student organizations can now conduct programming until 2:00 a.m. thanks to a grant through the Pennsylvania Liquor Control Board (PLCB). Any recognized student organization that wishes to sponsor a program that will extend past midnight is sponsoring a "late night program".

Q: Who can sponsor a late night program?

A: Only Recognized Student Organizations (RSO), in good standing with the university, may be approved for proposals and funding requests. If you are unsure about your status as an organization please email Kim Wick at Kimberly.Wick@iup.edu.

Q: How do I propose a late night program?

A: RSOs that would like to sponsor a late night program must submit a **Late Night Programming Event Proposal and Security Funding Request**. The document can be found here: Late Night Programming at IUP. In order to streamline the process and to conserve paper, all forms will now be submitted online. This form must be submitted NO LESS THAN 30 days before the proposed event.

Q: If my RSO receives funding, for what can the money be used?

A: Funding through the PLCB Grant can only provide security for events that are either Late Night Programs or events held on Homecoming, Halloween, or St. Patrick's Day weekends. Security funding is NOT available for events held at the Hadley Union Building (HUB). As our funding for events is limited, please know that timely submission and meeting of the requirements, while increasing your chances for approval, DOES NOT guarantee approval. Events that will require security include, but are not limited to, contemporary music, comedy, performing arts, lectures, pageants/fashion shows, stage presentations, festivals, athletic events, and dance parties. In addition, any event with an expected attendance of 100 or more will require security. The PLCB Grant Review Committee will determine from your Event Proposal and Security Funding Request if your event requires security.

Q: Where can late night programming take place?

A: The following facilities are available for late night programming:

Facility	Contact
Kovalchick Complex (KCAC)	Christine Knapik, Conference Sales Manager • Phone: 724-357-5204 • Email: Christine.knapik@iup.edu
Lepley Natatorium, Zink Gym A & B	Emily Briggs, Facilities Director • Phone: 724-357-7758 • Email: ebriggs@iup.edu

If you have any other questions, please email late-night-programs@iup.edu.
