College of Natural Sciences and Mathematics

8th Annual Women in Mathematics, Science, and Technology Poster Session

Monday April 1, 2013, 4:30 – 5:30 pm, Weyandt Hall

http://www.iup.edu/natsciandmath

The College of Natural Sciences and Mathematics is sponsoring its annual Women in Mathematics, Science, and Technology program on **April 1st, from 3:30 – 6:30 pm** in conjunction with IUP's Research Appreciation Week. The program will highlight scholarly accomplishments of female undergraduate/graduate students and faculty. A special **poster session will take place on the 1st floor of Weyandt Hall between 4:30 – 5:30 pm**. We invite you to present your scholarly work, including Student Teachers' Work Samples.

Posters that have been presented in other contexts are welcomed, including the Undergraduate and Graduate Scholars Forum or from other professional meetings.

If you are interested in displaying your poster please complete and return this form electronically to Jessica Stiles jstiles@iup.edu by Monday, March 25th. If you have any questions, please contact Jessica Stiles.

Awards will be given for outstanding undergraduate and graduate posters.

Deadline: March 25, 2013

First Name: _____ **Last Name:** _____

IUP Email: _____ **IUP Phone:** _____

Major: _____ **Supervisor:** _____

Project Title: _____

Please identify one of the following:

Research is authored by:

------- independent project of female faculty, or in collaboration with other faculty

------- female undergraduate student, or in collaboration with other students

------- female graduate student, or in collaboration with other students

------- female undergraduate/graduate co-authored with faculty member(s) (either male or female)
