Who we are...

The council is composed of representatives from the IUP and Indiana faith communities who fill one of 3 roles:

- IUP Spiritual and Religious Life Advisors
- Clergy or designated lay leaders from local houses of worship
- IUP community representatives from IUP recognized religious student organizations

What we do...

- Publicize the breadth of spiritual and religious programming to make students aware of opportunities
- Enable students of different faiths to participate in programs together for education and respect
- Assist new spiritual and religious groups in obtaining official student organization recognition
- Provide support to IUP community members in times of emergency or crisis

Grace College Ministry exists to help students experience the abundant life found in Jesus Christ. We hope that students will encounter Christ's grace in a new and life-changing way that leads to flourishing at IUP. We aim to provide a community of support and friendship for students during their time here at IUP to encourage them to become all they can be in Christ.
