B. S. Art Education**

***Sample* Four Year Program of Studies Sequence**

The following sample plan of studies may help you devise your own four year sequence of courses. Note that a course with an ** indicate it is a special requirement needed for admission to teacher education. You can use this guide by placing the semester you completed the course in the space provided. Make sure you obtain advisement each semester as the schedule is very tight and you must take certain courses in sequence. Check weekly the Art Education bulletin boards on the second floor of Sprowls Hall and make periodic checks in Stouffer Hall for updates on anything to do with education requirements. Teacher Certification requires you follow the Three Step Process. *This form is not official it is for advisement purposes only.*
