Part II: Description of Curriculum Change of Course Title, Change of Prerequisites, and Change of Catalog Description

*New Course Description*

1. **HPED 344 Adapted Physical Activity and Sport** 3c-01-3cr  
**Prerequisites: HPED 209, HPED 221**  
Recognition of structural deviations, corrective exercises, physical activity, and sport for individuals with a wide range of disabilities.

*Old Course Description*

2. **HPED 344 Adapted Physical Education** 3c-01-3cr  
**Prerequisites: HPED 246**  
Recognition of structural deviations, corrective exercises, and physical education programs for a wide range of handicaps.

**Justification for Changes**

The change in course title reflects current terminology in the field of adapted physical education, activity, and sport for individuals with disabilities. Removal of HPED 246 as a prerequisite is necessary because the course is no longer offered. The addition of HPED 209 Motor Behavior and HPED 221 Structure and Function as prerequisites will provide the background for students to be successful in the course.
