PART II. DESCRIPTION OF THE CURRICULUM CHANGE

1. Exact Description of what is to be deleted.

ANTH 483 Readings in Anthropology var-1-3sh
Directed readings on special topics in anthropology. Instructor guides selection of readings.

- 2. This inactive course is being deleted to free up the number 483 so that the UWUCC can establish 483 as the university's standard number for undergraduate honors theses.
- 3. The old ANTH 483 has not been used for over ten years, and there are no plans to use it; independent readings are now done under the standard number—ANTH 482 Independent Study. The deletion will not affect current or future students. Freeing the number to allow the insertion of the new standard "483" undergraduate thesis number will benefit students in the proposed Anthropology Honors Track.
