Part II. Description of Curriculum Change

1

1. Catalog Description

HRIM 413 Advanced Restaurant Operations (1c-6l-4sh)

Prerequisites: HRIM 313 and permission

A food and beverage systems course with emphasis on restaurant front- and back-of-house operations management. Students research, plan, prepare, and present theme-oriented dinners showcasing selected domestic and international cuisine. Students function as both operations employees and managers within the department's food and beverage operation.

2. Summary of Proposed Changes

(1) Old Prefix and Title: HRIM 413 Advanced Restaurant Operations

New Prefix and Title: HMGT 413 Advanced Food Production and Service

3. Justification / Rationale for Revision

Prefix change corresponds to the proposed departmental name change from Hotel, Restaurant, and Institutional Management (HRIM) to Hospitality Management (HMGT). The course HMGT 413 is the third in a series of three food production and service courses within the department. As it is the most advanced of the three, both numerically and in course content, the above course name revision has been proposed.

Part III. Letters of Support or Acknowledgement

No other departments are affected by changes in this course.
