## Description of the Curriculum Change

1. SO 459 (Development of Human Services) will be deleted as a course offering by the Sociology Department.
2. This course has not been taught in a number of years, and therefore should not be listed in the course catalog.
3. This course is not required for any existing programs and is only one of the many electives available to students. Removing this course from the catalog will prevent students from anticipating its availability and allow them to plan their curriculum more effectively.
