TITLE CHANGE

1. FL 121 Humanities: Literature 3c-01-3sh

Introduces the student to works, authors, and genres of general literary significance in the Western tradition. Not organized historically but trains the student in the critical reading and appreciation of literature from the present and other periods. Authors, works, and themes are studied with respect to cultural context, aesthetic form, and thematic significance. Taught in English. Substitutes for EN 121 Humanities: Literature

2. TITLE CHANGE

FROM: FL 121 Introduction to Literature

TO: FL 121 Humanities: Literature

3. JUSTIFICATION/RATIONALE FOR CHANGE:

This will make the FL 121 title match the previously approved EN 121 title, and this will reinforce the fact that the two courses are interchangeable. The change will decrease the possibility of confusion among advisers and students. Using "Humanities: Literature" as a title also strengthens the identification of the course with the Liberal Studies Humanities: Literature category for which it is intended.
