

**M. S. in Nursing  
Education Track  
IUP  
*Sample Curriculum Plan***

The program leading to a Master of Science degree in Nursing is fully accredited by the Commission on Collegiate Nursing Education (CCNE). It is designed to prepare the graduate for an advanced-practice nursing role as a nurse educator and serves as a foundation for doctoral study.

The Master of Science in Nursing is a 36-credit program for baccalaureate prepared registered nurses.
