BSED in Biology Education

Liberal Studies revision

Justifications

1. Justification for keeping 123 credits: When the BS in Biology curriculum is revised next fall, we will use the extra 3 credits in the BSED Biology for a Biology controlled elective. We do not want to lose those credits until the final curriculum revisions have been finished.

2. Justification for moving PHYS 151/161 to Controlled Electives: These had been included as Liberal Studies, but the cap on LS courses at a maximum of 48 credits meant that we needed to move the credits to Controlled Electives instead. The outcome is the same, but the LS credits now stand at 48 hrs, as required.
