

FY2014-2015 - TWO-PAGE Appropriations White Paper Template

Title/Topic:

Primary Faculty Investigator Name, College and Department and contact information:

Example:

Dr. John/Jane Doe
College of Fine Arts
Department of Art
Phone: 724-357-5555
Fax: 724-357-5555
Email: JDoe@iup.edu

Contributing Faculty Investigator Name, College and Department and contact information:

Example:

Dr. John/Jane Doe
College of Fine Arts
Department of Art
Phone: 724-357-5555
Fax: 724-357-5555
Email: JDoe@iup.edu

Provide a two page (try to stay as close to two pages as possible) **non-technical** white paper (does not include other template information above) expanding on your topic. The white paper should go more in depth than the topic overview. Your topic/research project should try to address as many of the elements below as possible:

1. Who is the potential customer/client? (Example: Department of Defense, Department of Agriculture, Dept. of Environmental Protection, etc.)
2. Tangible impact this will have on the US and/or the Commonwealth. **List specific outcomes.**
3. The “so what factor.” Ask yourself or others to evaluate the “so what” factor: ...so what makes this so critically important, so interesting, so innovative, so groundbreaking research, so good that you are compelled to advance it?

You will also be given feedback from the IUP Lobbyist and IUP Sponsored Grants and Appropriations Team depending on how your white paper is recommended to move forward in the process.

PLEASE MAKE NOTE OF ANY PREVIOUS OR EXISTING FUNDING BY INDICATING THE AGENCY NAME, AMOUNT RECEIVED AND THE DATE.

Budget Outline: Please provide and outline of the types of costs that you may need to accomplish what you propose. You may estimate up to three years, but please break it down by year. Please work with your Project Development Officer in the Research Institute for assistance.
