

## PREP WAIVER OF CONFIDENTIALITY

The Pennsylvania Small Business Development Centers maintain strict confidentiality relative to all matters relating to its clients. The only condition under which a Small Business Development Center (SBDC) can share client information with other organizations is if the client provides explicit written permission to do so. Because there are economic development and growth programs outside of the SBDC from which clients may benefit, and because engaging the services of these other programs in a collaborative and complementary fashion with SBDC services can provide enhanced benefit to our clients, this waiver permits the SBDC to make direct referrals to these partner organizations.

Yes  No  The SBDC may release my name, contact information, company name, business type and type of assistance provided to the Pennsylvania Department of Community and Economic Development (DCED) and designated member organizations in the Partnerships for Regional Economic Performance (PREP) program.
