INSTRUCTIONS FOR SPECIFIC ITEMS

NOTE: These numbers match the Item numbers on the application.

ITEM 3A. Show your Social Security Number. (VA cannot process your application without this information.)

ITEM 3C. Your VA FILE NUMBER is the number that appears on your VA benefit checks and all mail that we've sent you. Usually, this VA FILE NUMBER is the veteran's Social Security Number; however, this FILE NUMBER can be an eight digit number.

ITEM 3D. Your SUFFIX LETTER indicates your relationship to the veteran. The spouse or surviving spouse automatically gets the suffix of "W". Each child automatically gets a suffix with a different letter. (The first child that applies for VA education benefits automatically receives the "A" suffix. The second child that applies automatically receives the "B" suffix, and so forth.)

ITEM 6C. VA may have assigned the veteran or individual an eight-digit file number. If you know this number, write it in the space provided.

ITEM 11 and 12. Eligibility will terminate in the event a spouse is divorced from the veteran or in the event a surviving spouse is remarried, unless the remarriage is both after the surviving spouse's 57th birthday and on or after January 1, 2004.

Note: A surviving spouse who terminates a remarriage may re-establish eligibility, but will not qualify for an extension of the ten-year or twenty-year eligibility period.

ITEM 15. Benefits under this program are not payable while you are serving on active duty in the Armed Forces.

ITEM 16. Self explanatory, except for the following items:

Check the "Licensing or Certification Test" block if you want reimbursement for a licensing or certification test. (A licensing test is a test offered by a state, local, or federal agency which is required by law to practice an occupation. A certification test is a test designed to provide an affirmation of an individual's qualification in a specific occupation.)

The best way to claim this licensing or certification benefit is for you to send VA a copy of your test results with a note or a VA Form 21-4138, Statement in Support of Claim, stating that you are requesting reimbursement.

Include the following:

1. The name of the licensing or certification test you took
2. The name and address of the organization issuing the license or certificate (not necessarily the organization that administered the test)
3. The date you took the test
4. The cost of the test
5. The following signed statement: "I authorize release of my test information to VA."

Continuation of ITEM 16.

Check the "National admission exams or national exams for credit" block if you want VA to reimburse you for the fee you paid for taking one or more national tests.

National tests for admission to institutions of higher learning include the following: the ACT, the Dental Admissions Test, the Graduate Record Exam, the Graduate Management Admissions Test, the Law School Admission Test, the Medical College Admissions Test, the Miller Analogies Test, the Optometry Admissions Test, the Pharmacy College Admissions Test, the Scholastic Aptitude Test, and the Test of English as a Foreign Language.

National tests providing an opportunity for course credit at institutions of higher learning include the following: the Advanced Placement exam, the College-Level Examination Program, and the DANTES Subject Standardized Tests.

Include the following:

1. The name of the test you took.
2. The name and address of the organization offering the test.
3. The date you took the test.
4. The cost of taking the test.
5. The following signed statement: "I request reimbursement for the cost of a national test."
