¹ **A minor in Psychological Science is also available.** The minor in Psychological Science requires completion of PSYC 101, PSYC 290, one course from Core Areas A, B, and C, one course from Core Areas D or E, and one PSYC elective. One of the Core Area or elective courses must be a content-based laboratory course. If you wish to have a minor in Psychological Science, please check here ____.

² Meets Liberal Studies Social Science Requirement

³ PSYC 290 may be substituted for PSYC 280; NURS 316 may be substituted for PSYC 280 for minors from Nursing.

⁴ Selected in consultation with Psychology Department Chairperson.

⁵ For **NURSING MAJORS**: PSYC 310: Developmental Psychology is required. It is also recommended that the three additional courses come from among: PSYC 312: Adult Development; PSYC 321: Abnormal Psychology; PSYC 372: Drugs and Behavior; PSYC 374: Stress and Coping; PSYC 376: Health Behavior; or PSYC 378: Death and Dying. Other courses may be taken with approval of the Department Chairperson.

⁶ Consult the Undergraduate Catalogue for restrictions.

COMMENTS: Successful completion of the program of studies listed above is required. Also:
