DISCUSSION

1. Committee makeup – we have added a second student member – Ryan Rauch – welcome.
2. Approve of the minutes of 1 October, 2009 with corrections – McKee/Hildebrandt – unanimous (6/0/0).
3. Discussion of the guidelines for curriculum proposals
The committee discussed the guidelines – B.G. Wilson will make the revisions we discussed and send them to the committee. We will continue the discussion on the guidelines as necessary next week.
4. The first round of criteria revision is due on the 9th October, 2009. B.G. Wilson will review them by the next meeting and determine the best course of action in dealing with the revisions.
5. The committee discussed the necessity of forming subcommittees to try to expedite the work we need to accomplish this semester. We envision needing at least two sub groups to work on criteria revisions and one on the implementation plan. We may also want to break out another for departmental planning.

The meeting adjourned at 4:55 pm
