- II. Approval of Minutes from January 19, 2010 Curriculum Committee Meeting on a Hannibal/Metz motion. Note: There are no minutes from February 2, 2010 as we did not meet quorum. The committee on that day did provide advice to the co-chair about how to treat the DE proposal from COMM for the crosslisted 201 Internet and Multimedia, which is crosslisted with BTED, COSC, IFMG, and LIBR 201. The consensus was to proceed with the review and when the proposal comes before the committee invite in those concerned with the proposal. The members present also heard a report from McCombie about the University Wide Ad Hoc Senate Committee on Distance Education. A draft of the policy was included in today's packet.
