- Data Reports

The NCATE Electronic Exhibit Room is provided as a source of information and data reporting at Indiana University of Pennsylvania. The College of Education and Educational Technology has created this site to support our continuing improvement model. Every effort to provide evidence for our accreditors and its programs has been made to be forthcoming and to present an accurate and honest representation of our teacher preparation programs. Program assessment is a continuous process that underlies all excellent programs of teaching and learning at our university.

Questions and concerns regarding this site should be directed to:
