Flex Pak: Pick 8 (p. 20)

Here's something that may just fit your needs perfectly—the Flex Pak. Choose at least eight events from any of the twenty-four for the season. Choosing this option will save you at least \$1.00 off the single-ticket price for every ticket. Here's how it works: You can order one ticket to at least eight events, two tickets to at least eight events, etc., so that you order an equal number of tickets for each event you choose. Let us know if you have questions or need help.

Attention IUP Students: Act Fast!
The first 50 IUP students to subscribe to any of the 2011-12 Lively Arts series will receive a Sheetz gift card worth \$5 good for any gas, coffee, or food purchase. Don't delay.
