**Catalogue Description Changes: PHILOSOPHY 410**

**a. Current Catalogue Description:**

**PHIL 410 - Contemp Analytic Philosophy** 3c-01-3sh

**Pre-requisites:** None

Investigation of twentieth-century Western positions such as pragmatism, logical positivism, logical and linguistic analysis.

**b. Proposed Catalogue Description:**

**PHIL 410 - Contemp Analytic Philosophy** 3c-01-3sh

**Pre-requisites:** None

Examines Anglo-American philosophy from the early 20th century onward. Explores early attempts to solve traditional philosophical problems with newly developed methods of logical and linguistic analysis, and also later challenges to such attempts. Authors may include Frege, Russell, Moore, Wittgenstein, Ayer, Austin, Quine, Davidson, Strawson, and Sellars.

**c. Rationale for change**

The old description did not present enough information to students about the content and authors to be covered. Few students are aware of contemporary philosophical discussions and as a result would not be given much information about the course from the old description.

**d. Letters of Support or Acknowledgement**

The proposed changes will not affect any other department.
