## **Course Revision**

### ***Currently:***

**HPED 325 School and Community Health**

**3c-01-3sh**

### **Course Description:**

Introduces students to the role of school and community in protecting and promoting the health of its members. Topics include historical development of the concepts of health and health education, identification of national and community goals to reduce risk of disease and enhance health status, and the responsibilities of both school and community toward achieving these goals.

### ***Proposed Changes: (prerequisite change)***

**HPED 325 School and Community Health**

**3c-01-3cr**

Prerequisite: HPED 142

### **Course Description:**

Introduces students to the role of school and community in protecting and promoting the health of its members. Topics include historical development of the concepts of health and health education, identification of national and community goals to reduce risk of disease and enhance health status, and the responsibilities of both school and community toward achieving these goals.

### **RATIONALE:**

HPED 142 Foundations of Health and Physical Education provides a background of health education history, concepts, and issues that will enhance student learning in HPED 325.
