## Part II. Description of Curriculum Change

### 1. Complete Catalog Description

CO 493 Internship in Computer Science var-12sh  
Prerequisites: CO 300, 310, 315, 319, 380, other courses depending on type of internship position desired, completion of application, and selection by committee

Positions with participating companies provide students with paid experience in computer science under the supervision of the companies and faculty. Requirements include three on-site consultations, two university consultations, completion of progress reports, oral presentation, and a final cumulative paper. Offered only to students during the second semester and summer of the junior year or summer and first semester of the senior year. No more than four semester hours of CO 493 may be applied toward the credit requirements for the major in Computer Science.

### 2. Proposed Change

Eliminate the reference to the a 30-semester-hour requirement for the major.

#### Old Catalog Description

CO 493 Internship in Computer Science var-12sh  
Prerequisites: CO 300, 310, 315, 319, 380, other courses depending on type of internship position desired, completion of application, and selection by committee

Positions with participating companies provide students with paid experience in computer science under the supervision of the companies and faculty. Requirements include three on-site consultations, two university consultations, completion of progress reports, oral presentation, and a final cumulative paper. Offered only to students during the second semester and summer of the junior year or summer and first semester of the senior year. No more than four semester hours of CO 493 may be applied toward the 30-semester-hour requirement for the major in Computer Science.

### 3. Rationale for Change

The "30-semester-hour" phrase is a remnant of the Computer Science program as it was prior to 1991. None of the current degree requirements for Computer Science programs is based on requiring 30 semester hours.

## Part III. Letters of Support

None are required.
