1. Complete catalog description with the new number, title, number of credits, prerequisites, and an appropriately written course description.

MA 458 Logic and Logical Games for Elementary and Middle School Teachers
3c-0l-3sh

Prerequisites: MA 152; Elementary Education concentration

Introduction to some of the basic ideas, terminology, and notation of mathematical logic and Boolean algebra as well as games of strategy that involve logic. In addition, an investigation of how logic is taught and used in various program for the elementary school.

2. A listing of the proposed change giving the old title and number and the new title and number.

Old title and number:

MA 458 Introduction to Logic and Logical Games

New title and number:

MA 458 Logic and Logical Games for Elementary and Middle School Teachers

3. Justification/rationale for the change.

We are changing the names of the other courses within our mathematics concentration to avoid confusion with similarly titled courses for our mathematics majors. We would like to change this title to help students easily identify course as being within our concentration program.

Part III. Letters of Support

No other departments are affected by this change.
