PROPOSED REVISIONS IN EC351 COURSE TITLE AND DESCRIPTION

Part II Description of Curriculum Change

1. Complete Catalog Description:

EC351 Russian Economic Development

Prerequisite: EC101 or EC121 or EC122

Study of the theories, institutions, and performance of the Russian economy including comparison of present and past patterns of economic development.

2. Previous Course Description:

Study of the theory, institutions, and performance of the Soviet economy and comparison with capitalist and other socialist economies.

Revised Course Description:

Study of the theories, institutions, and performance of the Russian economy including comparison of present and past patterns of economic development.

3. Rationale:

To update title and description to reflect structural changes in the former Soviet Union and to encompass a more modern view of the nature of economic systems.

Part III Letters of Support
