PART IV. DESCRIPTION OF THE CURRICULUM CHANGE

1. **STATEMENT OF DELETION:** The course RH 411 Rehabilitation of the Post-Surgical Patient will be deleted from the Rehabilitation program and from the catalog.
2. **JUSTIFICATION:** With the approval of the attached program revision, this course will no longer be offered or required in the Rehabilitation program. One comprehensive course covering all medical conditions is sufficient to meet the needs of rehabilitation counselors. Deletion of RH 411 will permit room for a specific assessment course in the rehabilitation curriculum.
3. **AFFECT ON PROGRAM:** This course will be replaced by RH 211 Medical Aspects of Rehabilitation with the approval of the attached program revision.

PART V. LETTERS OF SUPPORT

None. These courses are taught in our own department and are not required by other programs.
