SUBJECT: Writing-intensive proposal

TO: Robert Stonebraker

FROM: Liberal Studies Committee

At our November 16, 1989, meeting we approved your request to use a W-Designation for EC 333 Regulation of Industry as a Writing-intensive course.

This is a Type III approval--Specific Course and Specific Professor. Your chairperson, when building a semester schedule, may place a W beside this course only when you are teaching it.

We want to thank you for submitting such a well-prepared proposal; it was the very first one to come in, and it was a joy to have a good one.
