The minutes from the January 24th meeting were approved on a Wilson/McKee motion with one correction.

On a Zoni/McKee motion, the committee approved LBST 499 You Have Rights!

Dr. Susan Boser explained the preliminary plans for assessment of student learning outcomes and offered a draft handout for committee members to read and offer feedback on. She will be recommending the formation of a university wide committee to help coordinate, offer support and connect the assessment efforts on campus. It is expected that at least three members of the LSC will be invited/nominated to serve on the committee.
