APPLICATION FOR A DUAL BACCALAUREATE DEGREE

Beginning with the Fall 2004 semester, a student who has earned a minimum of 28 undergraduate credits from IUP and who is in good academic standing may apply to pursue a second baccalaureate degree concurrently with the first. This application must be submitted to the Dean of the College in which the major program of study for the second baccalaureate degree is housed. If admitted to a second baccalaureate degree program, the student must designate one of the two degree programs to be primary. To receive both degrees at graduation the student must earn at least 30 credits beyond the requirements of the designated primary program of study. The student must earn a minimum of 150 credits to receive both degrees concurrently. In addition, the following criteria must be met:

- The student may not be graduated until both degrees are completed.
- All requirements for the curriculum of each degree must be satisfied.
- A course required in both degree programs does not have to be repeated for the second degree.
- All university requirements such as minimum GPA and number of residency credits taken at IUP in the major must be met for each degree separately.
- A student who elects to discontinue the pursuit of receiving dual baccalaureate degrees simultaneously and who applies for graduation with one degree will be bound to the Second Baccalaureate Degree requirements if a later return to IUP is desired to pursue another undergraduate degree.
