Indiana University of Pennsylvania

Department of Adult and Community Education

Website: www.iup.edu/ace

Gary J. Dean, Chairperson; McGinty, Willis; and professor emeritus Ferro

At the undergraduate level, the Department of Adult and Community Education offers the BSEd degree program in business education. At the graduate level, the department offers the MA in Adult and Community Education with the Adult and Community Education (offered fully online), Instructional Design and Technology, and the MEd in Business Education/Workforce Development with the Business, Computer, and Information Technology (with PDE K-12 teaching certification in business, computer, and information technology), Workforce Development, and Administrative (Vocational Education Administration Tracks). In addition, the department offers a Certificate of Recognition in E-Learning. Refer to the *Graduate Catalog* for further details on the graduate programs.

Business Education

IUP's Business Education program is accredited by the National Council for Accreditation of Teacher Education (NCATE). The program leads to the degree of bachelor of science in education and Pennsylvania teacher certification in business, computer, and information technology for grades K-12.

The Business Education program is dedicated to preparing teachers who will be qualified and certified to instruct students to live and work in a business environment.

The program is intended for those interested in teaching in public elementary, junior/middle, and senior high schools, vocational-technical schools, private business schools, or industry. Students have a choice of the following certification areas: business, computer, and information technology, or marketing education.

Admission to this program requires entering students to meet the guidelines for admission to the College of Education and Communications. Additionally, students must achieve a 3.0 GPA to apply for Step 1 of the Teacher Education process to enroll in major courses, to student teach, and to be recommended for certification. Students must meet the requirements leading to teacher certification as outlined in this catalog.

Before graduation, each business education student must document completion of 500 hours of business work-related experience. This experience can be acquired during summer vacations and in offices on the campus during the regular school term. Previous documented experience may also be counted.

Bachelor of Science in Education—Business Education (*) (1)

Liberal Studies: As outlined in Liberal Studies section with the following specifications: 46-47

Mathematics: MATH 115

Natural Science: Option I recommended

Social Science: ECON 121, PSYC 101
