## Office of International Education

**Website:** [www.iup.edu/international](http://www.iup.edu/international)

**Michele L. Petrucci, Associate Vice President for International Education and Global Engagement**

The Office of International Education (OIE) is a comprehensive international education office and the primary catalyst for IUP's international initiatives. The OIE proactively facilitates, promotes, and organizes the international programs, events, support, and initiatives to more fully diversify IUP and the local western Pennsylvania communities.

The OIE is a central source of information that provides special services for admitted international students, visiting scholars, and international visitors and faculty members. The office is also the main resource and support for education abroad programs and international programming. The office provides the following services:

- extensive orientation program for new international students
- advising on immigration matters
- counseling on cultural and personal matters
- preparation and processing of immigration documents
- predeparture orientation program for education abroad participants
- re-entry program for education abroad participants returning from overseas
- intercultural programming for the campus and Indiana community
- aid to faculty members for international programming and faculty-led education abroad
- organization of international events such as International Education Week and International Unity Day
- management of international programs such as Conversation Partners and International Friendship Program
- management and oversight of IUP's intensive English program, the American Language Institute
- International agreements and partnerships
- International recruiting and marketing

## International Exchange and Education Abroad Programs

**Website:** [www.iup.edu/educationabroad](http://www.iup.edu/educationabroad)

Through the OIE, IUP students may take part in education abroad programs. The office houses an exchange/education abroad resource library. Students seeking information on academic programs offered by educational institutions abroad are welcome to read the materials available in the office and on-line. Qualified students planning to travel or study abroad should go to the OIE to start and complete the process.

More information about study abroad can be obtained in the OIE, 724-357-2295, or at the website listed above.

## American Language Institute (ALI)—English Language Programs for International Students and Visitors

---

**Website:** [www.iup.edu/ali](http://www.iup.edu/ali)

**Michele L. Petrucci**, Executive Director

**Emma K. Archer**, Assistant Director

The American Language Institute (ALI) offers intensive English classes for international students and visitors. The ALI provides courses for students from beginner to advanced proficiency in English. Students at the ALI take 24 hours of course work a week, with 14-week semesters in the fall and spring and a seven-week term in the summer. An institutional TOEFL is administered at the conclusion of each semester, and results can be used for admission to IUP. Cocurricular social and cultural programs are offered to all ALI students.

The ALI offers several programs of study to meet the language needs and academic interests of international students:

- The English for Academic Purposes program is for applicants preparing for study at a US college or university, exchange students, and individuals in the community who want to improve their English skills.
- The ALI Provisional program (ALI-P) is for applicants who plan to study at IUP. This program allows students to receive conditional admission to an undergraduate and several graduate programs at IUP while they study at the ALI to reach the required level of English proficiency.
- The ALI Bridge program allows qualified students to take up to two IUP classes while also studying English at the ALI. If students successfully complete nine IUP credits through the Bridge program, the language proficiency test requirement may be waived for undergraduate admission.

The ALI will also work with groups and organizations to create programs that meet their students' schedules and specific language learning needs. Please contact the ALI for more information.
