**I. For information - The following provisionally approved proposal revisions were received and passed on to the UWUCC:**

13-142a Type I Chauna Craig – English – Type I revision approval  
13-142b Type I Anthony Farrington – English – Type I revision approval

**II. For action**

Minutes of 20 February, 2014 Meeting – Asamoah/Hildebrandt motion to approve –  
Passed: Unanimous

**III. Discussion**

1. The Committee discussed whether a currently approved Type III W course could use the new revision process to create a Type II of the same course. The Committee felt that a new proposal should be submitted for the Type II.
2. The Committee discussed a proposal from Bryna Sigel Finer to offer one half day workshops for the English and Anthropology departments in lieu of attending the workshop put on by the LS Committee. The Committee felt that we cannot support the proposal at this time. The main reason is that we feel we need to determine what the Provost wants to do with the WAC before committing to any major change in our current system. In addition, we feel that we should explore what the expected outcomes are for the current and/or any proposed workshops before we move forward with any change to our current system. We will invite Mary E. Williams, former LS Director, to our next meeting to discuss the Writing Workshop and writing in general.
