Please note that this information is a guideline of how courses at Montco transfer to IUP. All IUP students are required to complete English 101, English 102, and English 121. All other categories provide options for students which may be dictated by your major. You must refer to the IUP catalog to view specific requirements for each major to ensure that you make the best course selections for your intended goals. The catalog is available online at [www.iup.edu/registrar/catalog](http://www.iup.edu/registrar/catalog).

Also note that there are additional transferable courses not listed here. For a complete record of transferable courses from Montco, please visit the IUP Equivalency website at [www.iup.edu/creditevaluation](http://www.iup.edu/creditevaluation).
