IMPORTANT FINANCIAL AID INFORMATION FOR 2018-2019

www.iup.edu/financialaid

IUP students can review the current status of financial aid awards by logging on to MyIUP at <http://my.iup.edu>. This site should be checked regularly for any changes to financial aid eligibility or for important messages about financial aid. In addition, students should also regularly check their IUP e-mail account for messages from the Financial Aid Office. Note: Only first semester freshmen/transfer students receive paper award letters. All other students must monitor their IUP e-mail account for award notifications and updates.

ENROLLMENT AND ACADEMIC PROGRESS REQUIREMENTS

To be eligible for federal and state financial aid (PHEAA State Grant, Federal Work Study, Federal Supplemental Educational Opportunity Grant, Federal Direct Subsidized/Unsubsidized Loans, and Federal Direct PLUS Loans) a student must be enrolled at least half time (6 credits of undergraduate level coursework for undergraduate students; 4.5 credits of graduate level coursework for graduate students) in a degree-seeking program.

ACADEMIC PROGRESS for FINANCIAL AID

Students receiving state and federal financial aid, including Federal Pell Grant, Federal Work Study, Federal Supplemental Education Opportunity Grant, Federal Direct Subsidized/Unsubsidized Loans and Federal Direct PLUS loans, are subject to academic progress measurements in order to determine eligibility for continued receipt of these funds. Students receiving federal financial aid must pass at least 67% of the credits for which they originally registered within the time frame for degree completion and maintain a 2.00 cumulative GPA (undergraduate) or 3.0 (graduate) in order to remain eligible for federal aid. This is a cumulative measurement and is performed annually after spring grades are finalized. Students who do not meet this requirement will lose eligibility for financial aid but are permitted to appeal.

In general, students who are attending full-time and are receiving the PHEAA State Grant must earn 24 new, non-remedial credits each academic year in order to continue receiving this grant, if otherwise eligible. Students enrolled half-time must earn 12 new, non-remedial credits each academic year.

INFORMATION ABOUT FINANCIAL AID AWARDS

Federal aid is awarded by IUP and based on the [Free Application for Federal Student Aid \(FAFSA\)](#). Eligibility for these programs may change from one academic year to another based on financial need, IUP's packaging policy, federal guidelines, and IUP's allocation from the federal government. If a student has been awarded a scholarship, the student should complete the **Student Financial Aid Response Form** and return it to the IUP Financial Aid Office as soon as possible. The receipt of a scholarship or other resource may result in an adjustment to the existing financial aid awards.

If a student has been awarded Federal Work Study or a Federal Direct Subsidized/Unsubsidized Loan and wishes to cancel or reduce the award, the student must login to MyIUP (<http://my.iup.edu>) and complete the cancellation or reduction request from the electronic award letter prior to September 3. A student will have access to MyIUP once he/she is accepted for admission to the university.

PAYMENT OF FINANCIAL AID

With the exception of federal work study earnings, all financial aid funds are paid directly to the student's IUP account. This takes place after all eligibility criteria have been met for each term of enrollment. Aid in excess of the university bill is refunded to the student for educational expenses.

VERIFICATION

Students selected for verification must verify the accuracy of the information provided on the FAFSA and will be required to submit certain documents to the Financial Aid Office. If selected, notification will be sent to the student via mail. Financial aid awards may be adjusted as a result of the outcome of the verification process. Students can review the current status of financial aid awards by logging on to MyIUP at <http://my.iup.edu>.

Verification must be completed before:

- Federal financial aid eligibility can be finalized and applied to the student's IUP account
- Beginning to work under the Federal Work Study Program
- Receiving a refund (when aid exceeds bill)
