EXTENSION OF PROGRAM

When you need to continue in an educational program beyond the date originally estimated for completion of the program, you must apply for an extension at least 2 weeks before the expiration date on the I-20 or DS-2019. As an F-1 or J-1 student, you are eligible to apply if you have continually maintained status and the delay in completion of studies is caused by compelling academic or medical reasons. If you are out of status, you must apply for reinstatement.

For extension, submit the following to the Office of International Education (OIE):

1. Complete this request form
2. Show proof of financial support for the extension with signatures. J visa holders also must show insurance to cover the extension period.
3. Academic Advisor Recommendation Form completed by your academic advisor attesting to the valid academic reasons why your program could not be completed within the allotted time and specifying an expected completion date of your program.

Please note: one year maximum extension per request.

One week after you submit the required documentation, you must come in to sign your new I-20, or DS-2019 and to collect your copy.
