

TENURED PART-TIME FACULTY PROCEDURES

1. Tenured part-time faculty will follow Article 12, Performance Review and Evaluation of Faculty and Article 15, Tenure in the CBA.
2. If a tenured part-time faculty member applies for a full-time position within their department and receives the majority of the full-time department faculty votes to hire the tenured part-time faculty member, he/she would not have another probationary period and would be hired as a full-time tenured faculty member in the position; or;
3. The department could request approval for a search waiver along with the credentials of the tenured part-time faculty member. Approval would be required from the Dean, Provost and Director of Social Equity and Civic Engagement. If approved, the tenured part-time faculty member would not have another probationary period and would be hired as a full-time tenured faculty member in the position.
4. This agreement is retroactive to include all previously tenured part-time faculty.
