

Sexual Discrimination/Misconduct Policy, Rev. 4-30-19

Indiana University of Pennsylvania

Excerpt:

T. Federal Timely Warning Obligations

Victims of sexual misconduct should also be aware that University administrators must issue a timely warning for incidents reported to them that are confirmed to pose a serious or continuing threat to members of the University community. The University will ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the threat.

U. Attempted Violations

The University will treat attempts to commit any of the violations listed in the Sexual Discrimination/Misconduct Policy as if those attempts had been completed.

V. False Reports

The University will not tolerate intentional false reporting of incidents. It is a violation of the Code of Student Conduct and may violate other University policies and applicable collective bargaining agreements to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.
