

**APPLICATION FOR A MINOR IN NUTRITION**

---

Directions: Complete and submit this application to the Food and Nutrition Department Office (102 Ackerman or Food-Nutrition@iup.edu) and make an appointment with the Department Chairperson.

This minor is recommended for students majoring in related disciplines, such as nursing and allied health, pre-medical, pre-pharmacy, food service management, health and physical education, child development, and family and consumer sciences, and for students who have a personal consumer-oriented interest in nutrition.

*Science prerequisites for the minor are CHEM 101/102 or BIOL 104/106. The completion of this minor neither meets the requirements for practice as a credentialed nutritionist nor satisfies the academic requirements of the Commission on Dietetic Registration or the Academy of Nutrition and Dietetics to become a Registered Dietitian. According to IUP policy, students are required to complete at least 50% of required credits in courses at IUP or another PASSHE institution, and a maximum of two courses that apply to the student's major requirements may also count toward the minor.*
