

IUP Symphony Orchestra
Spring 2021 String Audition Requirements

Auditions are only necessary for string players who did not play in the IUP Symphony Orchestra during Fall 2020.

Violin, viola, cello, and bass students, please prepare and record the following items as one video to submit as your audition:

- 1 scale of your choice in as many octaves as you feel comfortable

- A short solo of your choice (approx. 2 minutes in length). This can be an excerpt from a longer piece. If you have questions about selecting something to play, contact Dr. Alex Dee at adee@iup.edu.
