

## Individuals Appointed with Confidentiality 2020-2021

IUP may provide confidential services as requested by alleged victims of sexual violence. Although a legally recognized privilege may not attach to these roles, the University respects the alleged victim's expectations of privacy to the extent permissible by law while still ensuring compliance with other reporting obligations. Individuals authorized to have confidentiality are required to report the nature, date, time, and general location of an allegation of sexual misconduct to the Title IX Coordinator.
