

College of Health and Human Services  
 Department of Food and Nutrition  
**APPLICATION FOR A NUTRITION MINOR**

Directions: Complete this application and take it to the Department Office in 102 Ackerman and make an appointment with the department chairperson.

This minor is recommended for students majoring in related disciplines, such as nursing and allied health, pre-medical, pre-pharmacy, food service management, health and physical education, child development, and family and consumer sciences, and for students who have a personal, consumer oriented interest in nutrition. Science prerequisites for the minor are CHEM 101/102 or BIOL 104/106.

The completion of this minor neither meets the requirements for practice as a credentialed nutritionist nor satisfies the academic requirements of the Commission on Dietetic Registration or The Academy of Nutrition and Dietetics to become a Registered Dietitian.
