Conflict of Interest Statement

To ensure a fair procurement process and to guard against protest by unsuccessful proposers, I have carefully evaluated my position with regard to possible conflict of interest. I certify that I am not aware of any issue which would reduce my ability to participate on the evaluation team in an unbiased and objective matter, or which would place me in a position of real or apparent conflict of interest between my responsibilities as a member of the evaluation team and other interests. In making this certification, I have considered all financial interests and employment arrangements (past, present, or under consideration.) Conflict of Interest includes any relationships or any biases that I or any member of my family may have with suppliers who may submit a proposal.
