<i>** Minor is strongly suggested</i>		

*Articulation
Agreement*

between

Indiana University of Pennsylvania

and

Community College of Allegheny County

November 2017

GENERAL GUARANTEED ARTICULATION AGREEMENT BETWEEN
INDIANA UNIVERSITY OF PENNSYLVANIA AND
COMMUNITY COLLEGE OF ALLEGHENY COUNTY

THIS ARTICULATION AGREEMENT is made by and between, Community College of Allegheny County, located at 808 Ridge Ave., Pittsburgh, PA 15212, hereinafter called "CCAC", and Indiana University of Pennsylvania, part of the Pennsylvania State System of Higher Education, an agency of the Commonwealth of Pennsylvania located at 1011 South Drive, Indiana, PA 15705, hereinafter called "IUP".

WHEREAS, CCAC offers associate's degrees in several academic programs; and

WHEREAS, IUP offers bachelor's degree programs in related academic programs; and

WHEREAS, both institutions desire to facilitate the transfer of graduates from associate's degrees in several disciplines at CCAC to subsequent bachelor's degrees at IUP; and

WHEREAS, subject to the terms of this Agreement, the student who has earned an associate degree in designated programs shall be guaranteed admission with advanced standing at the junior level to IUP.

NOW THEREFORE, in consideration of the foregoing and the mutual promises hereinafter expressed and intending to be legally bound, the Parties agree as follows:

- 1. Admission.** In order to qualify for the Guaranteed Articulation Program, students must be admitted to CCAC in a program that has been articulated with IUP.
- 2. Tuition and Fees.** CCAC tuition and fees will be charged to students for CCAC courses. IUP tuition and fees will be charged to students for IUP courses. Each institution will be responsible for collection of tuition and fees for courses transcribed by their institution. Financial Aid will be issued by CCAC until the student transfers to IUP as a junior year transfer student. Once the student transfers to IUP, he/she will receive financial aid through the university. Until that time, it is the student's responsibility to inform the CCAC financial aid office when he/she is enrolled in an IUP course.
- 3. Admission of Transfer Student.** One semester prior to matriculation at IUP, the CCAC student must submit the transfer admissions application with appropriate fee. Admission to most IUP programs is assured with the completion of an associate's degree and compliance with standards specified in the articulated program. However, some competitive programs require a higher cumulative average as well as compliance with other special admissions requirements.

4. Acceptance into Bachelor's Degree Program. Upon formal acceptance into a specific major, IUP will acknowledge the student's intent to enroll and the appropriate advanced deposits will be waived.

5. Student Transcript. The student must forward to the IUP Office of Admissions an official final CCAC transcript verifying receipt of the associate degree prior to registering at IUP. Costs associated with the transcript will be paid by the student.

6. Academic Policies and Requirements. The student while enrolled either at CCAC or IUP shall comply with each school's academic policies and requirements. However, the specific academic policies in effect for the bachelor's degree as awarded by IUP will be as such during the time of the student's enrollment into the program.

7. Discipline Policies. The student while enrolled either at CCAC or IUP shall comply with each school's discipline policies and requirements. However, the specific discipline policies/requirements in effect for the bachelor's degree as awarded by IUP will be as such during the time of the student's enrollment into the program.

8. Transfer Credit. Attached hereto, incorporated herein as part of this Agreement are articulated programs designed by representatives of CCAC and IUP. This Agreement confirms that IUP accepts credits toward Liberal Studies requirements as well as the major and free electives as designated by the articulated programs in Exhibit A. In addition, the agreement is in alignment with Pennsylvania's Title 24 P.S Education, Chapter 1, Public School Code of 1949, Article XX-C Transfer of Credits between Institutions of Higher Education. These courses must be completed to be awarded the bachelor's degree from IUP.

9. Marketing and Recruitment. The institutions will join together in a marketing campaign. IUP will utilize print initial materials and add information to its website for the benefit of personnel of both institutions. CCAC will include the program, upon review by IUP, among its recruitment materials.

10. University Representatives/Monitors. Representatives from both institutions will be appointed to evaluate the Agreement in operation.

11. Term of Agreement. The term of this Agreement shall be five years from the date of execution. This Agreement may not exceed a period of five years at which time it will be reviewed. This Agreement shall be effective upon signature of all required parties, including approval as to form and legality by counsel for IUP.

12. Termination of Agreement. Either party may terminate this Agreement for any reason with ninety (90) days' notice. In the event of a substantial breach, either party may terminate this Agreement upon the occurrence of the breach by written notice that may be less than 90 days. In no event shall the termination of this Agreement by either Party take effect before the end of a then current academic term or adversely impact any student who may be

participating in the reverse transfer program by way of continuous enrollment already begun at IUP.

13. Nondiscrimination. The parties agree to continue their respective policies of nondiscrimination and related procedures to insure such based on Title VI of the Civil Rights Act of 1964 in regard to sex, age, race, color, creed, national origin, Title IX of the Education Amendments of 1972 and other applicable laws, as well as the provisions of Section 504 of the Rehabilitation Act of 1973 (as amended) and the Americans with Disabilities Act (ADA) of 1990.

14. Compliance with Laws and Policies. The Parties shall at all times under this Agreement comply with all Federal, State, and local laws and respective institutional policies. To earn an Indiana University of Pennsylvania degree, at least 30 of the last 60 credits must be taken from IUP. In addition, students will take at least 50% of credits required for the Major from IUP or another Pennsylvania State System university. This is in accordance with the State System's academic residency policy and related Board of Governors' policies.

15. Interpretation of the Agreement. The laws of the Commonwealth of Pennsylvania shall govern this Agreement.

16. Modification of Agreement. This Agreement shall only be modified in writing with the same formality as the original Agreement.

17. Relationship of Parties. The relationship between the parties to this Agreement to each other is that of independent contractors. The relationship of the parties to this contract to each other shall not be construed to constitute a partnership, joint venture or any other relationship, other than that of independent contractors.

18. Liability. Neither of the parties shall assume any liabilities to each other. As to liability to each other or death to persons, or damages to property, the parties do not waive any defense as a result of entering into this contract. This provision shall not be construed to limit the Commonwealth's rights, claims or defenses which arise as a matter of law pursuant to any provisions of this contract. This provision shall not be construed to limit the sovereign immunity of the Commonwealth or of the State System of Higher Education.

19. Entire Agreement. This Agreement represents the entire understanding between the parties. No other prior or contemporaneous oral or written understandings or promises exist in regards to this relationship.

20. Confidentiality. The parties shall protect the confidentiality of student records as dictated by the Family Educational Records and Privacy Act (FERPA) and shall release no information absent written consent of the student unless required to do so by law or dictated by the terms of this Agreement.

IN WITNESS WHEREOF, the authorized representatives of the parties have executed this Agreement as of the final date indicated below.
