

Indiana University of Pennsylvania

## 2017-2018 Planetarium Shows

**FREE AND OPEN TO PUBLIC**  
**Weyandt Hall Planetarium, IUP campus**

### **Rings**

**Thurs. Oct. 26, 2017, 7:00 P.M.**

They are beautiful and mysterious. What can we say about their nature and origin? Come to find out and see what objects are in the current night sky. (Rings of Saturn by Cassini)

### **Astronomy Short Stories (Student Showcase)**

**Weds. Dec. 6, 2017, 7:00 P.M.**

The astronomers and science teachers of tomorrow (IUP undergraduates) are preparing an evening in the planetarium just for you! Come by and see the talent of tomorrow in action – previous showcases have been fun and memorable.

### **Creation amid Destruction: Supernovas**

**Sat. Mar. 31, 2018, 10:30 A.M.**

Move over Hollywood! There are explosions bigger than anything we can imagine. They also produce some very surprising results and products. (Supernova of the year 1006; NASA/NRAO/NOAO)

### **Webb Space Telescope: A New Eye in Space**

**Mon. Apr. 23, 2018, 7:00 P.M.**

After a very long design and construction process, the largest infrared camera ever built is expected to launch in early 2019. Come hear what astronomers hope to learn. (Webb telescope; Northrup Grumman)

**Sponsored by the  
IUP Geoscience Department and the  
IUP College of Natural Science and Mathematics**

Shows are at the Indiana University of Pennsylvania planetarium, located on the first floor of Weyandt Hall. Weyandt Hall is on the east side of the Oak Grove next to Oakland Avenue. Weather permitting, after the show telescope observing of the night sky (evening shows) or of the Sun (daytime shows) will be available. Seating is limited; doors will open 15 minutes before each show. Groups that wish to attend are asked to call in advance. For more information call 724-357-5626 or 724-357-2379.
