Eligible Expenses

Only expenses directly related to artist residency programming are eligible for AIE Programming funds and match, including but not limited to artist fees and travel expenses, documentation, evaluation and professional development.

Artists who receive PCA AIE funding must be listed in the *Directory of Pennsylvania Artists in Education*. Individual artists must be paid at a minimum rate of \$200 per day for a residency. One day equals a minimum of three hours of on-site activities. Artists are free to negotiate a higher fee. Artists may negotiate fees and services beyond the PCA-funded activities.

An administration fee of 10% must be added to the overall cost of the artist fees for the residency.

Travel funding will be allowed as part of an AIE Program funding only when the artist lives more than 50 miles from a residency. Travel expenses are limited to: lodging and meals, not to exceed \$80 per day; and mileage at the current federal rate, or in lieu of mileage, the cost of public transportation, whichever is less.

Funding for visiting artists is eligible as set forth for above. Visiting artists **do not** have to be listed in the *Directory of Pennsylvania Artists in Education*.
