## II. Description of Curriculum Change

1. **Catalogue Description:** We are proposing a change to the name of our department. We want to replace the current name, Department of Special Education and Clinical Services with Department of Communication Disorders, Special Education, and Disability Services. There will be no change to the catalogue description.
2. **Summary of changes:**
  - a. **Table comparing old and new program:** No change in the course requirements.
  - b. **List of course changes:** No new courses are required.
  - c. **Rationale for change.** We want to facilitate communication within the university community and with current and potential students. We want to be consistent with titles used in the professional literature, legal documents, and corresponding programs through the country. It can be confusing when prospective students look for programs at IUP and they cannot easily find the major in our department listing. The proposed change highlights current majors in the department name.
