## Sexual Assault Awareness Month

### Sexual Violence

is an umbrella term that includes any type of unwanted sexual contact — either in person or online — including sexual assault, harassment, and abuse.

April is Sexual Assault Awareness Month. This year marks the 20th anniversary of SAAM and it's mission to bring awareness and resources to those who could be impacted by Sexual Assault.

The Haven Project will be releasing a pre-recorded **Take Back the Night: Virtual Speak Out** on April 14th at 5:00 p.m. via Haven's social media and Haven's website ([www.iup.edu/haven](http://www.iup.edu/haven)).

Anonymous survivor stories will be read by members of the Haven Project. We want to show our support for victims and survivors of sexual assault.

**Content warning:** stories depict personal violence, please be advised when viewing.
