

# ACCOUNTING

CCAC/IUP COLLABORATIVE PROGRAM

INDIANA UNIVERSITY OF PENNSYLVANIA

EBERLY COLLEGE OF BUSINESS AND INFORMATION TECHNOLOGY

## EARN YOUR BS IN ACCOUNTING AT CCAC BOYCE CAMPUS

### BS IN ACCOUNTING

- Curriculum prepares students for accounting careers in a wide range of areas.
- Classes are taught by IUP professors, not teaching assistants.
- Full-time faculty members have doctoral degrees.
- Diverse faculty backgrounds provide multiple business perspectives to students.
- The accounting program is AACSB accredited.
- The department and college provide internship and career placement guidance.
- Students may pursue a variety of options to earn the 150 credit hours needed to get licensed as a Certified Public Accountant.

### MINOR IN ACCOUNTING

The minor requires an additional 18 credits and is available to majors in the CCAC/IUP Collaborative Business Program, as well as certain other IUP non-business majors. Refer to current undergraduate course catalog for more information.

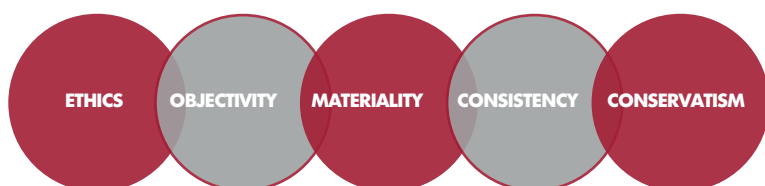

### CAREER-ORIENTED COURSE WORK

- Auditing
- Advanced cost accounting
- Accounting information systems
- Federal tax
- Forensic auditing
- Government and non-profit
- Oil and gas industry

- Certified Public Accountant
- Certified Financial Forensics
- Certified Forensic Accountant
- Certified Fraud Examiner
- Certified Government Financial Manager
- Certified Internal Auditor
- Certified Management Accountant

*"My understanding of the business world, and the world in general, has grown to great lengths with the education I have obtained at IUP."*

– Chelsey K., accounting alumna

## INTERNSHIP AND CAREER OPPORTUNITIES

Students are encouraged to complete an internship. Our Corporate Relations Office in Eberly and departmental internship coordinators prepare students for internships and career placement.

Accounting students have gained internships and job placements at firms such as:

- |                    |                   |
|--------------------|-------------------|
