Career Opportunities	Specializing in finance provides exposure to multiple areas, such as capital markets, corporate finance decision-making, portfolio management and financial risk management. It also opens up career opportunities with tremendous earnings potential.		
Program Overview	IUP's Finance program blends classroom experience with real-world expertise in a technological environment, including a trading lab with Bloomberg terminals. Our goal is to provide students with an affordable, well-rounded education that will allow graduates to choose from multiple finance career opportunities.		
Opportunities while Enrolled	<ul style="list-style-type: none"> • Student organizations and corporate internships provide students with hands-on application and referenceable experiences. Our Corporate Relations Office, departmental internship coordinator, and faculty advisors assist students to obtain internships and career placement. • Students are encouraged to join the Student Managed Investment Portfolio (SMIP), which manages over \$1 million in assets. • Finance internships provide practical work experience. Many internship experiences result in full time job offers. • Student Finance Association – students are offered a broad array of events, company outings, guest speakers and workshops. • Wall Street Journal membership • Network of strong successful alumni. 		
Professional Certifications Available in Field	<ul style="list-style-type: none"> • Certified Financial Analyst (CFA) • Certified Financial Planner (CFP) • Chartered Market Technician (CMT)
