

Cybersecurity Club Minutes  
9-6-2022

5:30 meeting started

- Officers introduce themselves
- Any interests in officer positions?
- Join the discord and please fill out the email attendance form
- Discussion on meeting outlines and club involvement
  - o Club activities involve hackathons, CTF competitions, news, and cybersecurity topics
  - o Went over what a CTF and Hackathon is
- For next meeting, please download the either the VMware Workstation Pro or VirtualBox virtual machine software AND the Kali VM. Links for this are in the discord presentation.
  - o If you can set it up by yourself you may.
  - o If you need help setting it up feel free to either wait until the next meeting or ask us for help.
  - o We would like them to be downloaded at least since they take about 30 minutes to download.
- Check out the Cybersecurity department webpage at [www.iup.edu/cybersecurity](http://www.iup.edu/cybersecurity) for information on the club, the DoD Cyber Scholarship, and other important opportunities
- Cyber Security Day will be October 18<sup>th</sup>
- Club Elections for Treasurer: Jordan Fischer is new treasurer
- Looked at Hivestorm CTF website (linked in presentation)
